Tracking No. ma4-83yy-y5eg
Comments Due: May 28,
2025 **Submission Type:** Web

Docket: NSF-2025-OGC-0001
NITRD_FRDOC_0001

Comment On: NSF-2025-OGC-0001-0001
Request for Information: Development of a 2025 National Artificial Intelligence Research and Development Strategic Plan

Document: NSF-2025-OGC-0001-DRAFT-0022
Comment on FR Doc # 2025-07332

Submitter Information

Name: Anonymous

General Comment

The federal government should continue supporting basic research on AI. More grants to faculty and fellowships to graduate students should be made available to help AI research. National shared infrastructure for computing must be developed and provided free or at low cost to academic researchers. With proper vetting, foreign talent should be actively recruited. More emphasis should be given to topics that are not "hot" right now but might have long term potential.
